

OVERCOME MYTH #3:  
YOU'VE BUILT IT, NOW OWN IT  
*from yourMassagePractice.com and Isabel Spradlin*

Remember, we're always looking for clarity so we can make *informed* decisions for how to move forward.

**Where in your practice are you still HOPING, rather than DOING?**  
(e.g. You keep hoping the Chiro you want to connect with will call you back someday, rather than picking up the phone yourself for a polite second call.)
